Everyone is encouraged to wear your mask at this event

LáSolana WELCOMES all Owners returning to your winter wonderland. We would like to encourage wearing of masks due to the rise in the number of people effected by COVID. We want to continue to keep your community safe and it's deeply appreciated to take this extra precaution. Please wear masks attending Board Meetings and other events where close contact may occur. Cooperation is appreciated!

Donations continue to come into the Office for the Family of Feliciano Sanchez-Medina who was killed on Mountain View Blvd. on 12/16/2021. Donations will be accepted until January 15, 2022. A gift card will be purchased for the family.

A BIG THANK YOU TO THE SOCIAL COMMITTEE for their superb job of taking down the Christmas decorations. They stayed on task and didn't stop until everything find it's home either in a box or a bag. Another THANK YOU to the men who helped the ladies taking down the high ornaments on the tree and taking the boxes out to storage.
