

Did You Know that you should consider being a Member of the La Solana Board? If you are interested in learning more about what is all involved in being on the Board please don't hesitate to ask a Board Member. Elections will be taking place at the Annual Board Meeting in February. This is a great opportunity to make a difference in your community. Please talk to a Board member and consider it.

Did You Know the Social Committee is having a Fall Brunch on October 28th? This Brunch is going to be absolutely amazing with a variety of different delicious foods. It's going to be a great time so sign up; the sign-up sheet is located on the counter entering the Social Committee Room. What a great opportunity to see what snowbirds are back and reconnect with friends.

Did You Know that silverware and dishes don't get washed by themselves? Silverware and other kitchen items have been left in the sink for someone to take care of. If you use anything from the kitchen please rinse it off and place it in the dishwasher. Office Staff will run the dishwasher when necessary.

Did You Know that coffee stains on the new carpet can't be removed unless the office is notified? Several coffee stains were not taken care of right away causing the stains to take a long time to remove. If you spill please let the office staff know or at least put some cold water on the spill for it not be such a difficult stain to remove.

Did You Know that there is a water shortage in Arizona? When using the kitchen sink please just don't let the water run and run, let's do our part in conserving water. HOA includes your water; however, the HOA still pays EPCOR for water usage on La Solana Property.

Did You Know that when you sign up for a party, you should not just show up or just walk in and not pay? Recently there have been several residents who signed up for a party, and it was a no show and walk ins that ate and didn't pay. Please take into consideration that the volunteers purchase enough food according to the number who are written down on their sign-up sheets. When you don't show up or just walk in the Social Committee members are unable to recoup their costs or plan for enough food.

In addition, when you sign up for the social events, once the sheets are filled they will be removed from the clipboard. For whatever reason you need to cancel you must contact the social chair of the event or the office in a timely manner. It's important for the success of these social events that social chairs have accurate head count to purchase enough food and recruit volunteers for set up and clean up. It takes planning and organization to bring these social events to all of you, so please sign up and show up!!!

Did You Know that it's important to attend Board Meetings and Chats? If you want to keep up with what is going on in your community the best place to get the right information or ask questions is at these meetings. These meetings are a critical part of preserving your community.

Mark your calendars:
