

**Did You Know that there is broken curbing around the trail at the end of building 4 and 5?** Carescape will be soon removing all the broken curbing and installing approximately 128 feet of new curbing.

**Did You Know that only 14 Pine Trees remain?** 7 of the Pine Trees will be removed this year and the remaining 7 in 2026. Unfortunately, when these trees were planted to entice buyers they were planted over water lines causing many problems. The ruptured water lines have been quite costly over the past years. In addition to water line damages, they leave pinecones and tree debris making the grounds not so becoming.

**Did You Know that more turf reduction will soon begin?** The Board made this decision to first and foremost to save on water, second, to refrain from watering areas where grass won't grow, third, to save money on costs of reseeding, weeding, and mowing, and fourth, to plant more color in areas where grass won't grow. It's time to look at low water usage plants and find shrubs/plants which will add more color to the grounds.

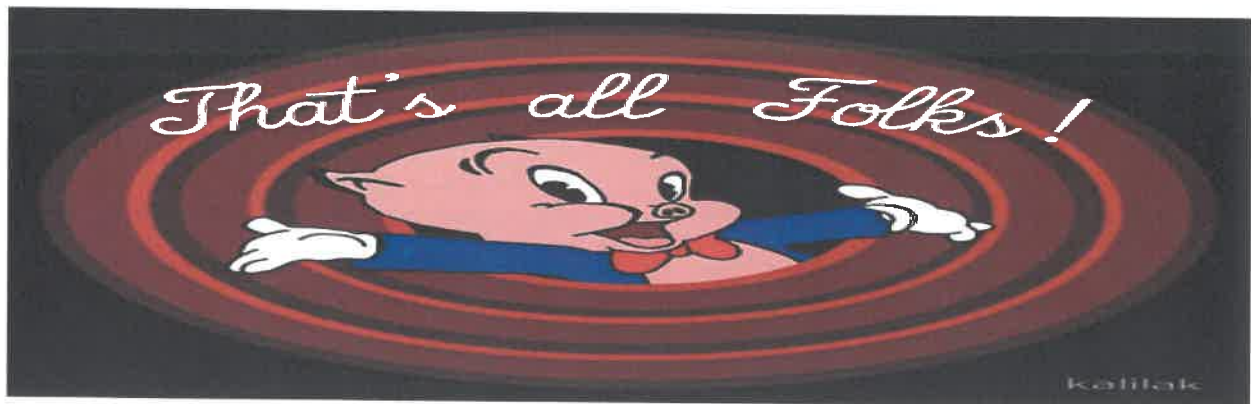

**Did You Know that there are 2 new Board Members?** Please give a warm La Solana welcome to Norbert Herrera, Member at Large and Claudia Jurowski, Secretary. Board positions are difficult to fill, and we appreciate them for volunteering to take on their new roles on the Board.

**Did You Know that the Flag at the Main Entrance has been temporarily taken down?** The current flood light wasn't providing adequate lighting for the Flag. Due to that the decision was made until proper lighting can be installed the Flag will remain down at this time. We appreciate all the Veterans and owners for bringing this to our attention. Soon the Flag will have proper lighting and will be flying proudly.

**Did You Know that La Solana has a New Committee?** It's the Welcoming Committee!! Thanks to Amy Mook, Carol Crawford and Patricia Back for taking on their roles on the committee. They have made up a Welcome Bag for each new owner filled, with La Solana information, how to order a name tag, La Solana pens and other fun items. As new owners come in they personally deliver the welcome bags to the new owners. Nice way to welcome them to our community.

**Did You Know that the fountains between building 6 & 7 in the courtyard is showing its age?** Greg Martin and Norbert Herrera are researching for a suitable replacement for the fountain. This area is an important part of La Solana property and having a water feature to enjoy is essential.

**Did You Know that Social Committee Events rely on their donations?** The Social Committee has done a phenomenal job of offering a variety of events for all to enjoy. In order for this to continue they need the monetary donations that is stated. From here going forward if you sign up for an event and decide not to inform the office in ample time, meaning before food is ordered, you will still need to pay the amount stated. So, if you don't plan on attending please **DO NOT SIGN UP!!!**

***That's all for now, look for the next "DID YOU KNOW"!***
