

The Clubhouse has been cleared out and it's ready to start the renovation process. Starting Friday, May 22nd the renovation will begin!! The entire renovation process will take approximately 80 days. It's going to be amazing to see the transitions taking place from the old to the new. At the end of the 80 days the Clubhouse will be transformed into a completely different look and it's just going to be beautiful. The excitement of the transition is overwhelming at times; however, the end result is going to be breathtaking.

If you hear rumors please check with Patti or Carla. Below is a picture of what the Clubhouse looks now and a picture of the new colors you will see in the new chair fabrics, tile and carpet. The Renovation team is working hard and they hope you will love the newly renovated Clubhouse.

That's all for now, look for the next "DID YOU KNOW"!
